## Experience Summary

### **Fiona Allen, Chief Executive Officer**

Bio: Trust and governance arrangements. Leadership and management. Curriculum development. School improvement. Ofsted inspector.

### **Keith Hillman, Director**

Bio: Financial system management and forecasting.

### **Alexandra Bond, Member**

Bio:

Alexandra Bond is a founding member of Social Tech organisation RunAClub, building and developing the sophisticated administration platform supporting any club or network of clubs, whilst embedding the internal and external communications. She has 20 years of demonstrated success in supporting new ventures starting up; and helping companies, local authority services, charities, social enterprises and schools grow and develop new products, methods and services. She has held various volunteer Chair and Committee roles at pre, primary and secondary Schools.

### **Gail Chilcott, Member**

Bio:

Gail was first appointed as a Governor in 1985 and has since developed a knowledge and interest in Special Educational Needs as a foster carer of primary school age children, Gail has been working with staff and families of very disadvantaged children for some time. Gail then went on to become Chairman of the Governing Body for four years.

Subsequently moving on to be a Governor of a Comprehensive school, and became Chair of Governors there for four years. With a gap of six years Gail later returned to a Primary School Governing Body for two years.

Alongside Governorship Gail has been a Magistrate for over Twenty Years sitting across Wiltshire on Adult and Youth class.

**Paul Dimech, Member**

Bio:

Financial Controller in the Hospitality industry for over 40 years now operating as Financial Controller of a charity operating a hotel as a training centre with apprentices to give them the work experience to enable them to go into the workplace fully trained.

**Ian Fewtrell, Member**

Bio: School leadership. Governance. Facilities management.

**Elsbeth Griffiths, Member**

Bio:

Elsbeth has been involved with Corsham Primary School for over 12 years and operated as a Governor, Chair of Governors and the Board of Trustees. Used to operating at a senior level  
Elsbeth is an experienced senior human resource professional with excellent communication skills, gained in private and public sector businesses, currently working within the NHS. She has experience in developing and delivering staff engagement and behavioural change programmes, the positive management of organisational change and encouraging involvement from all levels of the business.

**Sheila Copeman, Trustee**

Bio:

Sheila is a highly experienced governor, she was elected a primary school governor in 2009 and in 2016 she became a governor at one of the counties highest performing secondary schools. Sheila is very active in her role taking the lead in her primary school conversion to an Academy. She is passionate about child safety and wellbeing demonstrated by her campaigning and delivery of significant improvements in road safety for families walking to school and direct involvement in extracurricular activities for the children. She both participates and chairs a diverse range of panels and committees ranging from recruitment, remuneration and disciplinary to curriculum.  
Sheila worked for 10 years in Contract Management in the public sector before having her three children who are at various stages of their own education. She has a passion for sport and having competed herself at county level she loves to inspire others to participate. She taught pre-school gymnastics for over 10 years and since 2013 has run her own successful dance and fitness business.  
As a governor Sheila has been able to build strong bonds with teachers, parents and pupils alike and brings expertise from her professional life to both improving school administration and activities for child enrichment.

**Andrew Hall, Trustee**

Bio:

Andrew Hall is an experienced entrepreneur. He has been successful as Chief Executive and Chief Operating Officer in a broad spectrum of sectors including health and social care, commercial property development, manufacturing and Hollywood movies. He is currently focused on long term regeneration of the town centres of Corsham and Shoreditch for the internet age.

Having consistently led small to medium sized organisations, Andrew has an open-minded and hands-on approach to getting things done. He is proud to help deliver the best schools and outcomes for our children.

**Rob Hayday, Trustee and Chair**

Bio: Project management, change management. Procurement. System and process implementation.

**David Lloyd Blake Powell, Trustee**

Bio: Education consultant. Curriculum. Teaching and learning.

**Paul Vincent, Trustee**

Bio: Governance. Procurement. Teaching and learning.

**Rob Ward, Trustee**

Bio:

Robert Ward 25 Years Royal Air Force, still serving at RAF Brize Norton as an Air Loadmaster on 206 Sqn. School governor at Ivy lane from 2014 finishing as the Vice chair. Member of the MAT steering group to help form Pickwick Academy Trust, now serving as the Vice chair for the MAT and Safeguarding lead for the board.

**David Willis, Trustee**

Bio:

Following a long career in Purchasing and Senior IT Management, he has served as Chair of Governors for many years in one of the founding schools. His expertise in software development and data analysis all helping to bring the school up a "Good" Ofsted rating.
