**Pickwick Academy Trust is a thriving trust with a number of exciting opportunities. We are looking to recruit full-time Class Teachers to join our teams at Queen's Crescent School, Corsham Primary School, Aloeric Primary School and Ivy Lane School, on permanent and fixed-term contracts.**

**We have opportunities across EYFS, KS1 and KS2.**

Pickwick Academy Trust is made up of five primary schools in Wiltshire: Aloeric Primary School, Corsham Primary School, Ivy Lane School, Ludwell Primary School and Queen's Crescent School. Four of the schools came together to form our Multi-Academy Trust in August 2017 because they recognised the huge value of working together to drive school improvement and education innovation. We were delighted to welcome Ludwell Primary into the family on 1 November 2019.

The Trust educates over 1850 pupils, across six sites (Corsham is one school, but has two sites) and employs over 260 people. It also operates Pickwick Learning Teaching School Alliance which is a Department for Education designated group of schools, leaders and partners committed to providing support and sharing best practice in education. It uses the collective expertise from over 70 schools in Wiltshire and other local authorities to support the development of new and existing teachers and school leaders, to provide the best possible education and experiences for children across all our schools.

Our vision, strategy and mission is underpinned by our moral purpose to provide the best education and curriculum for the children we serve, and is based on the values of: aspiration; collaboration; inclusion; enjoyment and nurturing relationships, with the intention of empowering children to become life-long learners. We provide a strong ethical framework that enables children to make thoughtful, positive choices, and are committed to providing a high quality and educationally stimulating learning environment, led by exceptional staff.

**We are looking for teachers who are passionate about experiential learning. A commitment to learning both within and outside the classroom (including extra-curricular opportunities) is essential, as is the ability to fully support our vision of 'Learning for Life' and our school values. We believe that children only get one chance to experience childhood, and that they have an absolute right to the highest quality of education.**
