"*Let your light shine*" **Matthew 5:16**

Governor Policy 13 – ADMISSIONS POLICY

- **Policy adopted from DCC Model Policy and agreed: November 2011**
- **Review undertaken by Headteacher & Chair of Govs**
- **Policy Review Period: Biennial**
- **This revision: January 2024**

All Saints admits children between the ages of 4 and 11 (Reception to Year 6) in accordance with the Dorset Education Authority policy. Priority is given to families living in or transferring to the area normally served by our school but we do take a percentage of children outside of our catchment area.

If families live outside this area and would prefer their child to attend All Saints Primary School they will be considered under the Authority's policy on parental preferences.

All applications for school places must be made through the Local Authority

Parents need to contact Dorset School Admissions, who will advise them of the procedure to follow.

Applications into established year groups should also be made via the local authority. Application forms can be downloaded from the Dorset for You website via the following link

http://www.dorsetforyou.com/schooladmissions

Full details about admission can be obtained from:
